

Class 2 – BA PROJECT DAY

9TH JULY 2017

Dear Class 2 Parents/Guardians,

Salaamun Alaykum,

During the Ramadhan Break, children are to complete a project (details below) on the **5 Ulul Azam Prophets**. The project needs to be your child's own work but we do understand they will need your help to research stories and complete some aspects of the project.

This project needs to be handed in on: 9th July 2017

Project Details

We have briefly discussed with the children who the 5 Ulul Azam Prophets are. Your child's project is to create a book of 5 stories by completing the below tasks:

1. Name the 5 Ulul Azam Prophets
2. Pick ONE story of your choice for **each** of the 5 Ulul Azam Prophets. For example, for Prophet Nuh, the story of the Ark.
3. Write/draw/collage your stories for each of the Ulul Azam Prophets.
4. At the end of each story, write down what you think the moral of that story is.

The project needs to be in a book format. You can either use an exercise/craft book you have at home or make your own using sheets of card or paper stapled/hole punched together. You can write, use a computer to type and print out your stories, draw pictures, collage with different materials or stick pictures. You can use a variety of these methods or others if you wish - be as creative as you like when putting together your stories!

For ideas on stories:

1. Use your own storybooks on the Ulul Azam Prophets
2. Visit the Children's Islamic Library located in the Annex to borrow some books.
see <http://www.childrenislamiclibrary.com> for more details
3. Stories and ideas on how to present them can also be found at the following links:

If you have any questions, please contact your child's teacher.

Jazakallah for your continued support and all your efforts,

Salaams & duas,
Class 2 Team
