

Class 3 – BA PROJECT DAY

9TH JULY 2017

One of the learning objectives for term 2 is that class 3 children should know their usool e deen and therefore, for Beliefs and Actions day we'd like to focus on the usool e deen to show that you know them.

Over the Ramadhan break, we would like you to create something, which shows the usool e deen. It is entirely upto you how you do this, it could be in the form of a poster, a 3-D model or a poem for example. We leave the creativity to you!

The criteria:

- Your project must state the 5 usool e deen
- Your project must have the definition of each usool

Good Luck! We look forward to seeing a variety of projects on the 9th July when you will present them to your class.
