

Class 6A1 – BA PROJECT DAY

9TH JULY 2017

Activity: Over the last few weeks, the girls have written and starred in their own plays, structured as TV interviews, imagining that Prophet Muhammad has just declared his Prophethood.

Through these interviews, they explore:

1. What are Prophets?
2. What is the necessity for Prophets?
3. What are the characteristics of Prophets?
4. Why is the Quran special?

On the BA project day, students and parents are invited to attend the premiere screening of the video produced by 6A1. We invite all parents to witness the talents of these budding news broadcasters!
