

Class 9 Girls BA Project – The Imam of our Time

Due Date: Sunday 9th July 2017

Imam Mahdi is the awaited Imam of our time.

The Holy Prophet (a.s.) said:

“Allah will raise a man from my progeny, from my Ahlul Bayt, by whom the Earth will be filled with justice thoroughly the same as it has been filled with injustice and oppression.”

(Al Musannif volume 11 | Page 371)

We are celebrating his birth by presenting to the Madressa (girls) a variety of messages about the Imam.

Think about the following questions:

- What do we know about him?
- Why is he awaited?
- Are there people who have been able to meet him?
- What are the possible reasons that he has not reappeared.
- How can we celebrate our relationship with him?
- What are the reported signs of his reappearance?
- What will the Imam do when he reappears?

You can:

- Make posters
- Display models
- Recite nasheeds / munajaat
- Create a skit
- Make a video

In addition to the ideas above, you may present this in any way you want.

Be creative, celebrate our Imam's life by having colourful, bright and amazing concepts!
